2017 DVD Order Form

With recital just around the corner, we have once again booked Brannek Video Productions to record our recitals!

This is a wonderful keepsake for your dancer(s). Not only can your dancer watch their own performance, but they have the opportunity to watch and learn from all of the dancers at Kids Etc's YMC. I know my girls have spent many hours over the years watching recital videos.

We are pleased to offer a Blu-ray format again this year.

Order and pay prior to May 15, 2017 and receive the discounted rate below:

Any Single Night: \$30.00 including taxes, or Blu-ray format \$35.00 including taxes

To order your copy, please fill in the attached form and bring it along with payment to the studio. Order forms will also be available at dress rehearsal and at the recital.

Payment can be made by cash, cheque, Visa or MasterCard.
